

# Call for Entries

**Across Roads Center for the Arts** presents **ARToberFest 2014**, an afternoon-into-evening Fundraiser that will unite live music and Waterbury's rich artistic spirit with the great libations and food that have earned the town an admirable reputation. **Your art and creativity are integral to this event!**

**Seeking visual art entries** that express the vision of ARToberFest by choosing from & interpreting the general themes of: autumn / harvest / change of seasons; local agriculture / food and brew / the brewing process; and celebration of community and art. Your entry may relate to any or all of the prompts... 2D & 3D work in any medium, representational or abstract, are equally welcome. Highly interested in works crafted from materials relating to the themes. Please keep in mind this will be a family event, celebrating the non-political riches of our community and locale.

Work will be presented in a gallery/ group show setting; this is NOT a booth show. **All work must convey your interpretation of the spirit and themes of ARToberFest.**
